

FOR IMMEDIATE RELEASE

Ghana Mall Online Set to Launch on November 24th, 2025, revolutionizing E-commerce in Ghana and Africa! Accra, Ghana - Tech Hub Africa LLC is excited to announce the upcoming launch of Ghana Mall Online (GMO Marketplace), a vibrant e-commerce platform designed to empower local entrepreneurs and showcase Made-in-Ghana products alongside global brands to a global audience.

Scheduled to go live on November 24th, 2025, at **11:24:25 a.m.** GMT, Ghana Mall Online is a flagship initiative, focused on supporting local businesses, with the modern shopper in mind, and promoting economic growth in Ghana. This innovative platform will provide Micro, Small, and Medium Enterprises with access to wider consumer markets, enabling them to increase revenue and foster valuable business-to-business (B2B) networking opportunities.

"Ghana Mall Online is more than just an e-commerce platform - it's a movement towards economic independence and sustainability in Ghana," said a spokesperson for Tech Hub Africa LLC. "We are committed to creating a conducive environment where local businesses can thrive, sell their products, and access opportunities for growth, with the modern consumer in mind".

The platform will feature a diverse range of products, including:

Made-in-Ghana products:

- **Clothing:** Men, Women, Children and Babies
- **Groceries:** locally sourced food products and staples
- **Beverages:** Local drinks, both alcoholic and non-alcoholic, water
- **Household essentials:** paper products like toilet rolls and other paper goods
- **Electronics:** Assorted varieties
- **Furniture:** Foreign and locally handmade and crafted furniture pieces

Global brands:

- Fashion and lifestyle products from renowned designers
- Clothing and accessories for all genders and ages:
 - Traditional and modern wear
 - Casual and formal attire
 - Accessories like jewelry, bags, and shoes
- Electronics from leading international brands
